

## Mainway Partnering with Span Tech Canada!

For over 25 years Mainway Handling has been an industry leader in meeting the complex demands of food and beverage manufacturers.

Providing custom material handling solutions for this ever-changing, constantly growing industry is what we do best, and our partnership with Span Tech Canada, an industry leader in conveyors for manufacturing environments, continues to produce incomparable results for all of our clients.

With clients such as *Bunge, Effem Foods, Voortman* and *Maple Leaf Foods* - we've established ourselves as the **dependable, cutting-edge, go-to integrators.**

**...contact us today for unparalleled service and expertise!**

*Innovative, Creative Engineering*
